

# ICCA STATE CHAMPIONSHIP RUBRIC

## TIME OUT DIVISION

	<b>MOTIONS</b>		<b>INCORPORATION OF PROPS x 2</b>
	<b>DIFFICULTY</b>		
2.5-3.0	-Motions performed by majority of the team at a slow pace the entire time		
3.0-3.5	-Motions are performed by the full team at a slow pace the majority of the time	3.0-3.5	-Props used for an inadequate amount of time, little reaction from crowd -Props have little variety and not used effectively -Props seem to be used to hide poor motion technique
3.5-4.0	-Motions are performed by the full team at an appropriate pace approximately half the time	3.5-4.0	-Props used for adequate amount of time, but little crowd reaction -Props have some variety, but could be used more effectively to lead the crowd -Props seem to hide some poor motion technique
4.0-4.5	-Motions are performed by the full team at an appropriate pace the majority of time	4.0-4.5	-Use of props gives good crowd response -Props could be used more effectively to lead the crowd -While some variety, more variety is needed -Props use is generally appropriate to timeout situation
4.5-5.0	-Motions performed by full team at an appropriate pace the entire time	4.5-5.0	-Use of props enhances a strong crowd response -Props are not over used -Props are varied and used appropriate to a timeout situation
	<b>TECHNIQUE x 2</b>		
2.5-3.0	Poor level of technique		
3.0-3.5	Below average technique		
3.5-4.0	Average technique		
4.0-4.5	Above average technique		
4.5-5.0	High level of technique
