A copy of this sheet with signatures **MUST** be sent to the ICCA with other registration materials.

ATHLETIC DIRECTORS, PRINCIPALS, AND COACHES:

Please be sure that the **rule for BONA FIDE cheerleaders** is followed. The ICCA does not allow students who only cheer for a competition squad to participate in ICCA events. Bona fide cheerleaders must be chosen for a squad with the same participation requirements (practices, games, fundraisers, PR events, etc.) as all others on the squad. **Bona fide cheerleaders cheer at all games for an entire season; they cannot be cheerleaders who cheer now and then, step in to stunt, or only cheer on a competition squad. They cannot be a college cheerleader or only cheer on a non-school, all-star team.** The ICCA reserves the right to assess a penalty, disqualify, reclaim any and all awards, and/or remove video appearance for any team found to be in violation of the eligibility policy, whether before, during, or after the ICCA event. All participating coaches are members of ICCA and have completed ICCA participation requirements.

Coaches and ADs/Principals must read all of the following information and sign off on its accuracy.

All-State Tryouts:

Head Coach: I have read the information concerning the guidelines and requirements of the ICCA All-State Squad. I agree to accompany candidate(s) to the tryout (who are bona fide cheerleaders – see definition above), practice sessions, and performances. I understand that for insurance purposes, I will be the official chaperone at all times. If I cannot attend, I will pre-arrange a replacement who is an employee of the school system (with the administrator’s and All-State Director’s approvals) and inform the All-State Director. I will make sure that if I cannot attend, a letter from my school administrator will be sent with the adult attending the practice/event. I understand that once a cheerleader has made a commitment to the All-State Squad, he/she is expected to fulfill this commitment as an affirmation of his/her integrity.
